“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Dear Pete and family,

I was so saddened to see that Buddy had passed away. My mother, Jerry Hearl, was a great friend of Buddy's. The last time I spoke with Buddy was the day mama passed away in October of 2011. I'll always remember her as a great seamstress. She sewed clothes for me when I was a little girl. Our family thought a lot of Buddy. I pray God will comfort you and your family during this sad time.

“ Dear Pete and family. I am very sorry to hear about Margaret's passing. There are so many stories I could share but I don't know where to begin. We were friends in high school and managed to remain friends thru the years. While everyone called her "Buddy" I still chose to call her Margaret. I enjoyed our visits while she was here visiting her sweet momma & she actually taught my granddaughter to knit during one of those visits and to this day she still attempts to knit little things. She's 17 now by the way. She was a very good friend to me and I am going to miss her terribly. May God wrap his arms around you all and comfort you as only he can in the days and weeks ahead.

“ So sorry to hear this. Margaret was a longtime childhood friend. We were in school together and also in many church classes growing up at Conway First Baptist Church. I had not seen her in a very long time until our last class reunion several years ago. Pete, may you and your family find comfort in your wonderful memories of sweet Margaret! Thinking of you all!

“ Dear Gause / Causey Family,

Jimmy and I wish to express our symphony for your loss. Buddy and I shared a lifelong friendship that began with childhood. I have fond memories of sleepovers, boat trips, birthday parties, swimming in the river and enjoying our animals. The Causey Family were wonderful friends with the Holbert Family for many years. I also remember growing up with my cousin Pete at Homewood, playing with him on the farm, attending Homewood Church and going to family functions hosted my Aunt Myrtie at the Seaside Hotel. I was so honored to be included as a bridesmaid in Pete and Buddy's wedding. My last visit with Buddy was February 2013 when we worked on sewing period dresses for the Confederate Ball. It was a wonderful time to reflect and reminisce and to also renew our friendship and I am very saddened at the Gause / Causey Family loss.

“ As a child, I remember visiting Margaret with my grandparents (Betty Jo and Wendell Holbert). In later years, I remember the wonderful time that I shared with her at the Gause Family Reunions at the original Homewood Baptist Church. I would like to express my condolences to Pete, Paul, Angela, Nathan and to her mother Mrs. Margaret Causey for their recent loss. My son, Charles Calhoun, worked for Pete and Paul and he sends his heart felt symphony for the family's loss as well. May God send and angel to comfort the family during this time.

*With Deepest Symphony,
Tamara Tindal and Charles Calhoun*
