“ Michael, I'm so sorry to here about Peggy. I definitely know what you are going through. be strong hang in there. Looks like your family in your biker group are there for you. If you need help or need to talk lean on them and your family up north. Remember, cherish are the good times and memories you both had together Michael you and always call or text me if you need to talk I'll be there to listen. If you need to cry then cry there is nothing wrong with that , if you need yell, if you need bang on something, laugh about a memory. What ever you need to do, do it we all have emotions. Rich
