“ Meg introduced me to my husband and told me I was going to marry him after our first date. Well she was right!! Today is our 33 rd wedding anniversary. Rest in peace Meg. You are always in our thoughts. I don't think I know a kinder person than she was. So very sorry Tom and family

“ My sincere condolences to the Luckman, Scaramozzino and O'Brien family. I grew up with Peggy in East Boston, lived right next door to her; we were like family. I was saddened to hear of her passing. Rest peacefully Peggy, you were such a kind and caring person.

“ So sorry to hear about Peggy. My mum is upset - she loved her so much. I have such fond memories of her when I was a little kid in Raynham. She was always the "cool" mom taking us kids to all the fun places - skiing w us and sledding etc. I know I rode my first chairlift ride with her. So sorry Joey & Barbara Jean & all the Luckmans. We will keep you in our prayers.

Love,

“ I didn't know Peggy for very long, but loved her from the first time we met. She called me Maude and I called her Phyllis, after "Maude" on the Golden Girls and Phyllis Diller. What a loss this is to her many friends and all her family members.

Peggy was kind, giving and had such a sense of humor. She's in a better place now, with no more suffering, but will surely be missed here.

Watch out for us Peg, and hold us close to your heart....love you!
