“ Peg,
I always told you that one day i wanted to grow up to be just like you someday. ☐ your wisdom, wit & humor brought such joy to my day especially when it was a ruff day. I will cherish the many vocabulary words you taught me and challenged me with during our time together and your fondness for daniel craig. May your family find peace 🕊️❤️

“ Some of my favorite days were when I would walk into class and see that Mrs. Barra was our substitute. May she rest in peace.
