“ Nanny --- I will miss you tremendously. You were very special to me in so many ways. Although you were not a blood relative you were a grandmother from the heart. All that you ever did for me is greatly appreciated and no one will ever know exactly how special you were to me. In 94 you asked me to go to England with you and that was a wonderful trip. I am glad that I had that experience with you. We had talked about making the trip again sometime but now I will have to do it on my own. I love you and miss you a great deal!!!!  
Love always, Mel~Mel###imported-begin##Melanie
