“ Dearest Margaret, you knew every minute of the day that I loved you as only a dear friend can love a dear friend because you loved me the same. You knew how special you were to me ... the one I called to comfort me when my own mother passed to heaven and even last year when my father passed away. I loved our phone conversations and am now sorry that we had not spoken in several months. I will miss you forever here on this earth but will seek for you when I reach heaven and oh what a reunion that will be. Until then, memories.... Gail Lilly M. Todd
