“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret Lewis##imported-end##

“ Dear Family, My thoughts and prayers are with you at this time. Your mother, grandmother was loved and liked by many that you may not have known. There are so many wonderful thoughts of times in the past when Mack, Margaret, Dewitt and I had alot of fun. I talked with Margaret after Dewitt died last September and she wanted me to come see her but I have not been up to it. I know that she understood how I felt. My children send you their love and prayers. Take care of your family and know that there is a brighter tommorow. Sincerely, Frances Currie and family##imported-begin##Currie##imported-end##

“ Dear Morris Family, I was so sorry to read of Margaret's passing today. She was quite a lady & friend of mine even tho I hadn't been in touch with her for some time. The last time I took one of Piggly Wiggly's Whole Hog poor boys over for lunch. Both of us were hobbling around in her kitchen trying to get lunch on the table. I was not able to attend the visitation or services due to my health but I wanted to send my condolences & sympathy to all of you. She will surely be missed by all that knew her.
