“ Dearest Fred & Family, We are saddened to have lost such a dear friend. Marge will always hold a special place within our hearts! We were privileged to have rekindled such a special friendship after so many years apart. We'll miss our outings for dinner, our coffee times, and all the support Marge expressed during our rough health battles. There is a saying; "It is best to have had a friend & loved, then to never have had at all". God Bless you all during the difficult road ahead...Margie would of wanted you all to go on & be happy!
