“ I recently read of your loss and I want to express my deepest sympathy. During these times it is especially important to draw close to God thru prayer. It is also a time to reflect on the promises he has given us thru his word the Bible concerning the hope of seeing our loved ones again. I hope you find comfort in reading these scriptures. John 11:11-44, John 5:21,28,29, Acts 24:15 and Revelation 21:3,4. My prayers are with your family.##imported-begin##Candice Cross##imported-end##

“ Frances, Sara and family, Please accept my deepest sympathies at the passing of your dear mother. My work brings me in contact with many grieving families. I can't remember none exhibiting more love than you have for each other and more faith in God to restore your loss. I must say I'm grateful for your witness and thankful for lessons learned about the importance of family. Now please know that my prayer list is extended by one more family, confident God hears our petitions to hold your hand and lead you through this valley.
