“ *Mr and Mrs Little were friends of my parents for as long as I can remember. Mr Little and my dad worked together for years. Several years after my dad and Mr Little retired they ended up living in the same golf community in Pawleys Island. They were my favorites of all my parents friends.*

I always enjoyed visiting them when I went to SC to visit my parents. Mr Little was a very humorous man and I always enjoyed his quick wit. Mrs Little was a good friend to my mom and they were together often after my dad died and I really appreciated her friendship to my mom.
