“ *I've bowled with Marilyn and Jack for years, I saw first hand how much they loved each other. It was a shock to me that Marilyn had died & all those who knew her were shocked as well. She was a kind, caring, religious and loving person. We will miss her as well as her family she leaves behind.*

*No words can express your loss & it will be our loss as well, please accept our condolences to a great lady gone home to her other family and friends that await her.*
