“ *Ann was a wonderful, loving woman. I have so many fond memories of her when I was younger. Her daughter Vicky was my best friend, and Ann was always a great friend to my Mom. I can literally see her walking down our road with a Pepsi (in the glass bottle, lol) in her hand. I believe she walked as fast as anyone I’ve ever seen. I loved her very much and I know she will be missed dearly by all. She’s in Heaven now with my Mom and so many of her family members and we will see her again.*
