“ Grandma was truly my angel! She took care of my sister and I for many years. I will always be grateful for all that she did. I know she will continue watching over all of our family. Now her and Grandpa can be together again :). Gram, I will always treasure the times we shared, the things you taught me, I will never let you down and most important, I will never forget the love you gave me!

“ Marilyn was so very special to our family (the Panther's). I remember some pretty hilarious times with Marilyn and Mom and Betty Swift and her girls. We did have great times and I will hold those memories in my heart. I saw Marilyn last at the dedication of the Memorial Garden at Myrtle Beach Estates. We had a wonderful time reminiscing about "old times" and the people who are missing in our lives. Now Marilyn is resting with those we miss and, I am sure, enjoying the company of her old friends.

“ To the Weimer family:  
The Swift family will be forever grateful to George and Marilyn for their years of love, laughs, and friendship they shared with all of us. They were wonderful Garden City neighbors to our parents. May the dear Lord be with all of you through this difficult time.

“ I am so sorry for your loss. May the outpouring of sympathy, the kind acts of friends and strangers, as well as your memories give you comfort to help you endure the days ahead. The Bible also offers comfort. “For God is near to those broken at heart. “ Ps 34:17,18. Our Creator promises that there will soon be a time when “death will be no more.” Revelation 21:4

“ Marilyn was our Mom's best friend in Myrtle Beach from the day she moved into their Pecan Trail home. My mom would tell me the two of them shared things they didn't share with anyone else. She was a treasured friend of our mom until my Mom's passing. Our family will never forget the almost 30 year friendship George and Marilyn shared with our Mom and Dad. She and George were great people, great friends. Our Mom is happy to have her good friend with her again.

*When I first noticed Marilyn, I thought she looked like Elizabeth Taylor, I was probaly 5 and she was 17. Marilyn & George gave me my 1st job, babysitting 3 little boys on Cleinview and then on to Deer Park. I'm sure her Mom, my Mom (Esther) and all my Aunts, cousins have welcomed their new angel back to the family. And for my little boys who are now grown men: "Let God's unfailing love surround you. Lord, for their hope is in you alone." Psalm 33;22, With love and fond memories of all of you. Mary Kay Shults Crane*
