“ *So sorry to hear Marge passed. She had a beautiful personality that I enjoyed not only as the manager of the home care agency that was hired to care for her in Myrtle Beach but also as a friendship that we had for a very short part of her long life. I enjoyed Marge's company and stories of her family, husband and past life (we both loved English Springer Spaniels!).*

It was sad for me when she was transferred to be near her son in Texas but also made me glad that she would spend her final years with her family. I know that those who knew Marge at Brightwater Senior Living and the caregivers at Live Long Well Care always enjoyed her company and most of all her smile.
