“Granny was quite a woman. I loved her very much and was glad to have helped take care of her in the final days. She took me in as Jarvis her grandson’s girlfriend at 16 years old. She said honey call me granny and from then on she was. When Jarvis and I were married and had our daughter Katelin granny loved quilting she made Jarvis and I a wedding quilt and made a baby blanket for Katelin her great grandchild. I have them both ready to pass down. We’d go fishing at her house with papa and sit on the swing just spending time with them. On my last day working with her I was cleaning her floors like she asked and I was listening to classic country and she said Carrie turn my tv off and turn your iPad up. So I did she sat and just listened with me. It made me feel good to have had that extra time with her. She’ll forever be missed. She also had Katelin at hickory grove day care. I was so lucky to have her granny there to look after and teach her. Granny was an amazing teacher she taught us all.

She was a wonderful Aunt. So sad to hear of her loss. She was always available to listen to my nonsense when I was growing up. She will be missed. My condolences to all of her big family.

Aunt Margie, I didn't see or talk to you as much as I should have but I loved you more than anything. I have loved sharing our birthdays for the last 60 years. I wouldn't want to share it with anyone else. I love you Aunt Margie and kiss my daddy for me.
