“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as the comfort found in God's word the bible. Romans 5:12 says, "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ My heart sank this morning when I saw June's name in the Charlotte Observer. June and Pete were two of the most beautiful people I have ever known. I was the Life Enrichment Director at the Carriage Club for two years and they were like surrogate grandparents to me. We spent many hours a day together, starting at 9:00 am with exercise and finishing out the day with a trip to Target or Walmart. While I drove the bus, they sang Frank Sinatra, along with the CD, from the seat behind me, holding hands. They were always in a good mood, even when in pain. A day never went by that they did not ask me about my life, my daughter, and they really wanted to know the answers. That is rare these days. Of course they were members of the Greatest Generation ever.

June was so beautiful inside and out. Her artwork was stunning. She was a true lady, always with her hair fixed, makeup on and a beautiful outfit. She was someone I am proud to call a friend and I feel so blessed that I had she and Pete in my life for those two years. I am better for it. Love to June's family. I wish I could be there Saturday. I will be thinking of you all.
