“ We are just learning of Marge's passing. She was my second cousin once removed. My grandfather Paul Jones was her cousin. We would visit her when we were in the area. We were looking forward to seeing her last week, but learned of her passing. We are sorry for the loss of this kind and spirited soul.

“ Jim and I loved to visit with Marj and play trivia at Southside Patty's. She always had a cold beer for Jim and a glass of wine for me. Her love of life and wonderful sense of humour made her excellent company and a favourite of all who knew her. We got to know many members of her family too. She loved to talk about her many grand and greatgrandchildren . She was a remarkable woman and a great example of positive thinking for all who knew her. I will miss our visits .
