“ I am so sorry that I am just now finding out about Margie's passing! I am shocked! I have known her since I was a little girl -- she used to babysit me, and my parents were good friends of her parents. I am sure her family, who all went before her, are rejoicing at being reunited with Margie in heaven. I am so glad I got to visit with her last December, and spend some time with her, before she passed. God Bless You, Margie! See you in heaven someday! ~Love, Kathy Covington

“ I had the pleasure of getting to know and love Margie when we were suite-mates during our days at Elon University, ( then Elon College). Margie was a wise, caring, wonderful friend whom I will really miss, but hope to see on the other shore. My thoughts and prayers are with her family. God Bless. Kathy Wobus
