“Christy and family, I was so saddened to learn of Mark's passing. I feel very fortunate to have known him as I sensed what happiness and bright light he brought into many peoples lives. He was a very talented man and told me many times how much he loved his wife and children. I will miss him. Knowing the pain of losing a husband and being thankful for entering my life, if only for a short time ,brought me strength and courage. I wish you that strength and I am here for you in thought and available for support. Mindy###imported-begin##Mindy Mcvay Heilmann###imported-end##

“ Dear Christie, I have never had the pleasure of meeting your dear husband, however, I have heard so many lovely stories about him from Cecille. I have also enjoyed seeing the steady stream of pictures of you, Mark, and Beth. The thought occurred to me while looking at the most recent set that Beth has such a strong resemblance to her dad. I know she will be a great source of comfort to you as time goes by, and that you will be able to keep Mark alive in her heart as you teach her his many wonderful qualities. Please know there is a large group of us in Houston thinking of you and grieving for you. Sincerely, Karen Cucchia, friend of your mom's at ConocoPhillips##imported-begin##Karen Cucchia##imported-end##
