“ *I will always remember Mark and his love for music. I witnessed his intensity with his chosen craft MANY times over the years and will always be grateful for the joy he brought to so many with his skill at playing guitar. Thanks Mark for making my birthdays special, for rocking my world and for making the beach a better place to live. You will be missed by many. Judy and other family members, please know that my heart is with you at this difficult time. Hopefully, your happy memories of Mark will lighten your sad hearts now and forever. He'll always be playing background music to our lives.*
