“ *King Family,*

I was saddened to hear of the tragic death of Mark and Debbie. I haven't seen Mark in quite a while, but have many fond memories of him as we grew up together. I will never forget working together in the tobacco fields and Cold Storage, climbing and shaking Pecan trees, hunting and numerous trips to the beach. He was always smiling and constantly making me laugh. He was also very thoughtful and would give you the shirt off of his back. Please know that you are all in our thoughts and prayers as you go through this difficult time. May all of the wonderful memories help comfort you.

Love,
