“ *Mark, You were taken from your friends and family too soon. Margarita Mark, every festive gathering of your friends will always have you central to our thoughts. You were a true friend.... truly you were one in a million and you are will always be in our thoughts. You were always willing to help a fellow colleague with your unbounded wisdom, perspective and thoughtfulness. Your professional manner with both staff and members were seldom equalled in the hospitality world. We worked together for several years and you were as loyal and true a team mate as one could ask for. My heart aches already with your absence and I know that our reunion in the light and promise of God's love will be a glorious occasion which I will anticipate for the rest of my days. Your friend, Scott##imported-begin##Scott Irwin##imported-end##*
