“ We are so sorry to hear of Mark's passing. We were the best of friends when stationed at Dover AFB, DE around 1970-73 when Mark was about 10 yes old. Mark & Shanewere same age as our sons, Kevin&Larry. Mark was a happy little guy. We went camping & our tent collapsed in the middle of the nite! We had so much fun. We retired to AR but stayed in touch. Love & prayers, Harold & Billie Roberts

“ I have read all of the many comments about how nice and friendly Mark was and I agree 100%. Mark and his brother, Shane, both, have always reflected the very humble, down to earth and genuinely friendly personalities of their parents, Virginia and the late Paul Rogers. I have a lot of nice memories of spending time with Mark when we were growing up and I regret that we have lived so far apart since our childhood. I wish Virginia and Mark's other family members the very best in getting through this difficult time in life. I will always be very proud to say Mark was a great cousin of mine.

“ Mark was the missing puzzle piece to our family and he sure did fit right in. He was goofy just like us and was/is the sweetest man I've ever known. We shared so many laughs together and great memories that I will never forget. He was my “Padre” and that will never change. I miss you terribly. We love you. I know you will be watching over momma and the rest of us. Rest in piece Granddad Mark.

“ Mark, was so kind and friendly every time we went to Egg UP, we saw him, he was always cleaning the tables, but talking to us as he did so. He told us how happy he was that there was work done in their house. He would tell us that Cindi was home today and reminded us of her schedule. Mark was one of a kind, the Lord had a place for him. Cindi, my prayers are with you and we will talk with you later. Love to you and your family.
