“ I have over 50 years of memories with my brother-in-law who always treated me as a full sister. Most of those memories are full of laughter, but there are some sad ones, too. I don't have the words to express how much I am going to miss him. My prayers for Eva, the girls, and all who loved him. He is such a loss to so many.

“ Eva is my sister. Mark was my brother-in-law, but truly a brother. He is so loved, and so missed. 🙏❤️🙏 I am one of those people who lived with them for awhile, after my divorce. Also, Mom and I would come to Myrtle Beach at least four times a year. We truly loved Mark....🙏

“ My fondest memories of Mark was our weekly trips to the bank, Dollar Tree and Walmart he loved going in and we would go down every isle wether we needed to or not and we always stopped for Mc Donald's double cheeseburgers and can't forget the fries we always shared. He always shared his thoughts and wisdom with me about the lord . I will always cherish these trips and will forever miss our time together I love you Mark Staton I am gonna take everyday of the rest of my life to work on being the person that you I saw in you cause I too want to walk thru the gates of heaven and see you and all my love ones again. Forever in my heart you will be .
