“ I just heard about Mark. What a tragedy. I often think of him and everyone hanging out in Jim's , jumping on the backs of their dirt bikes and down the shore. He's part of most of my fondest teen memories. He's always been in a special place in my heart and always will. A place of good people and good memories. Though I haven't seen him in a very long time I've often thought of him and always missed him. Kimberly Howe

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away

“ Dear Aunt Maryann, Jim and Maryann,

So sorry for the sudden death of Mark. I have so many fond memories when we were young and down at the campground. Riding the waves on our rented rafts at the beach. May you find comfort in this and know that all of you are thought of and in our prayers.

*God speed,
