“ I was a Ridge HS classmate of Linda and remember Mr. Bryant very favorably. Marshall Jr. and I were in Boy Scouts together, as Mr. Bruant had the Scout background as well. Mr. Bryant was a neat guy, fun to talk with and very encouraging to me in the encounters that brought us into conversation. After all these years, I can still remember him tending to his bees with the smoke pot in the back yard. A wonderful man! My condolences and sincere sympathies and prayers go out to the Family.##imported-begin##Charlie Calderwood##imported-end##

“ Our sympathies are with you all and wish so very much we could be there to share not only the sorrows but the celebration of Mr. Bryant’s very full life. It is amazing how active and involved he was until the very end. He is a great example to all of us. Mrs. Bryant, Mom wants you to know she is working hard with her physical therapy to “get back on her feet again, both feet” and wants you to know if she could be there, she would, as you and Mr. Bryant have been there for her, and us, so many times. She is planning to be home from the rehab center in the next few weeks. Hello to Linda. Jane and I will always remember she was there with us when our Dad died.
