

Dr. Marshall C. Sasser M.D.

December 31, 1936 - May 21, 2025

Dr. Marshall Craig Sasser, faithful servant of Christ, a devoted physician, and beloved member of the Conway community, passed away peacefully on May 21, 2025 in Conway, South Carolina. He was a respected urologist who served patients with compassion and integrity for over 35 years.

A South Carolina native, Dr. Sasser was a graduate of Davidson College and earned his medical degree from the Medical University of South Carolina. Beyond medicine, he shared his lifelong love of the outdoors especially waterfowl and snakes with family and friends. Dr. Sasser was a talented, accomplished carver of decoys and other beautiful birds. His connection to nature through art and photography reflected his quiet wisdom and artistic spirit, symbolizing his love for a place he called "The Ricefields". Dr. Sasser was one of the founding members of both The Historic Ricefields Association as well as the Conway High School Educational Foundation.

Above all, Dr. Sasser was a man of deep Christian faith. He loved the Lord with all his heart and lived out that faith through decades of dedicated service at First Baptist Church of Conway. One of his greatest passions was sharing the love of Christ with the next generation, and he was especially committed to mentoring and guiding the youth of the church in their walk with God. Dr. Sasser also mentored young outdoor enthusiasts through The Boy Scouts and the South Carolina Wildlife Federation.

He is survived by his loving wife, Marsha Ey Sasser of Conway; his son, Marshall Craig Sasser Jr. and his wife Jessica of Georgetown, and their sons Marshall Craig Sasser III and John Henry Sasser; his daughter, Suzanne Ramsey and her husband Gary, and their daughters Virginia Alexandra Bennett (Zach) and Katherine Erica Clark. He is also survived by his stepsons, John Moffett Proctor (Ashley), and their children Kinley Knox Proctor and Jones Clemson Proctor; and Dr. Charles Medlock Proctor (Stacey), and their children Charles Kahler Proctor and Josephine Margaret Proctor. He is also survived by his brother, Dr. Charles G. Sasser and his wife Jeanne of Travelers Rest, SC. Dr. Sasser was predeceased by his parents, Dr. James Archibald Sasser, Sr. and Martha Dyches Sasser, as well as his brothers, Dr. James Archibald Sasser, Jr. and Philip Dyches Sasser.

Dr. Sasser's legacy is one of healing, humility, curiosity, loyalty and faith. He loved food, friends and enjoyed years of weekly gatherings with family and friends including the Big D's Group. He touched countless lives through his medical practice, his ministry, and his example as a husband, father, grandfather, mentor, and friend. He will be deeply missed by all who knew and loved him.

A graveside service will be held at 10:00 AM Saturday, May 24, 2025 at Hillcrest Cemetery with Rev. Rocky Taylor and Rev. Scott Johnson officiating.

The family will receive friends at the funeral home from 5:30 PM until 7:30 PM Friday.

Memorials may be sent to Conway High School Educational Foundation, PO Box 3073, Conway SC 29528 or the charity of your choice.

Lunch will be provided following the graveside service.

“ When I think of Dr. Sasser, I think of many years ago when he had the kindness of heart and took the time to explain to me the concept of Hospice.. as he was a pioneer in the cause.. He explained that to treat one part of my mother's illness could exasperate another part, prolonging her suffering. It gave me much peace. Prayers 🙏 to all the family and friends at this time.

“ I was sorry to learn of my cousin's passing. Although we were only together several times over the years, I recognized that Marshall lived an interesting and fulfilling life, and made many contributions to the lives of others. We shared fond memories of our common Dyches and Gregory relatives residing in Clover, Virginia. I send my sympathy to his family and close friends.

Doctor Marshall Sasser's life exemplifies that of a true Christian who daily served his God, family, community and all whose lives he touched. He lived a life of Service, Sterling character, compassion for others and integrity. He was my close friend and the only doctor I saw personally for many years. I shall miss him deeply until we meet again.

“ ...Dr. Sasser was a dedicated physician to my Mother, Martha Creola "Cricket" Lewis through countless kidney stone surgeries. They had a close friendship and he shared Christmas meals in our home. She'd bake him a chocolate layer cake, covered with pecans and he gave her quite a collection of carved, painted Santa Claus figurines with a scripture carved on each of them. She passed in 1995, and I proudly display them each year and fondly remember how we enjoyed setting a place at our table for him. He indeed made an impact on so many not just in the office but wherever he was. May God give peace to the family in knowing he's not gone - he's just gone home.

“ To Marsha, Suzanne and Craig:
Please accept our sincere condolences in the loss of your husband and father. Marshall was like family to our family. Our Grandparents Helen and Arthur Moore were employees of the Sasser Family during Marshalls childhood and young adult life. They loved him as well as his brothers and we did also. He was a good man who loved family, friends, community, medicine, fishing, duck hunting, etc. I spoke with him two weeks ago and he told me his diagnosis. I told him he was in my prayers and to keep looking to the hill from where our strength commeth. I mailed another card to him yesterday and planned to call him Friday. I was just informed an hour ago of his homegoing. Family, Always remember, "Earth Has No Sorrow That Heaven Cannot Heal". You will see him again.

Sincerely,

Dr. Robert Laney, Jr.(Bobby), Tuskegee, Alabama, Ms. Terrie Laney, Conway, SC and Mrs. Rita Laney Stanley, Columbia, SC.
