“ I love you Daddy! We will miss you so much! My boys loved their PaPa more than you will ever know! I will never forget all the times you took me fishing, riding around town, anywhere you were going because Momma taught me to say "Daddy can I go?"! Those times meant the world to me! The safest place in the world for me was always in your lap in that recliner and all you had to do was call me "Precious" and it made it all better!

*I love you Daddy,
