Please know our thoughts are with you all, and we will continue to hold you close in prayer in the days and weeks ahead. Although we never got to meet her, her son Jason is one of our best friends, and the kind of man he is is a testament to the kind of woman she must have been. We are sure that her spirit will forever remain in the hearts of those who knew and loved her. Please accept our warmest condolences. May she rest in God's light and peace. Tom and Jane Gasch

“Marty was my sister in-law. When I was 20 years old she called and asked me to come help where she worked I did. That led to my career of 42 years so far. I will forever be thankful for that. She also was very helpful with helpful in getting my brother Russell buried at Ft. Jackson. Which I am very thankful for. You will be missed Marty.
