“ I wanted to tell you I am so sad about your mom.I had the pleasure of coming to know her when we worked at EMC.If I could pick a mom for me it would have been her she was so loving and kind, Brenda Stroud and myself went to visit her in Conway hospital not to long ago and it was the best visit. I am so glad we went. Children just know you had a wonderful mom and that is a lot to be thankful for some of us don't have that. I loved your mom and I will have all of you in my prayers and thoughts. God will see you threw this.##imported-begin##Linda Hardwick##imported-end##
