“ Oh, what a loss, but, her struggle has turned to joy. Fran held a special place in my heart...such a sweetheart. I will treasure our time together.

“ Fran always had a smile and had such good quick comebacks to jokes. Her mom and my mom were cousins and the only extended family either had in Conway. Alma loved to come to moms house and talk about Fran and her children. She was so proud of all of you. I will be praying for the family and all that loved her.

“*Fran was my very 1st friend. We grew up together on Edgewood Circle. Such fond memories of our times together. The love and pride she had for her family was so evident in her. She spoke so highly of them, and you could just feel that love! Her love of life was so contagious, as was her faith in God. I will miss her. She is in the arms of Jesus and resting easy now. My deepest condolences to her family.*
