“ We, My wife and I send our deepest regrets to the family of Martha Lemmon and we are truly with them in their sorrow on losing a true Southern Lady. I have known Martha for close to 9 years and Martha honored me by asking me to help her start a new A.A. Meeting, (Life Preserver Group). She and I then worked hand in hand and the group is still going strong. And Martha was a terrific worker and gave of her time and resources to make it what it is today. We the group members will miss her very much and our prayers are for her and her family in this their time of loss. About seven plus years Martha was instrumental in helping my wife and was the support for my wife in joining A.A. I as her husband, saw this and others that Martha helped in their needs for support. She was a gem for A.A. and never stopped helping people. Bob Peters & wife Gloria
