“ I have so many loving memories of martha, she was after all not only a sister but a substitute mom as well. West bridgewater, the farm, all the animals and the garden. She always had my back no matter what. I will miss you sis but the memories will last forever.

“ Martha was born and raised in Massachusetts and spent most of her adult life as a nurse. Wanderlust led her to move to Tennessee, where she spent many years serving the community via Spring Chapel Methodist Church. Ill health necessitated moving to South Carolina to be close to family. She rekindled her true love of 40 years ago and had several years of loving marriage before Lou passed away. Tho life was not always kind and pain was a constant, she was a trooper. through it all. We will meet again sister dear.

Gina, I'm so saddened to hear that Martha passed away following her surgery. I'm so glad that we were able to spend some time together again this past winter and share the "Madan" stories. Hopefully we can still catch up with you next winter again. Our deepest condolences on the passing of this precious woman I'm so proud to have reconnected with these past 2 years. Love you both.
