“ I remember Marty most from when the girls and I were little. He got such a kick out of me cutting pizza with scissors for the first time. Practical, yes. But not something I had ever done as a southern girl before. It seems I recall he liked to fish, and he and Marilyn were often busy working in the yard when Marilyn wasn't taking her girls out somewhere for an adventure. My prayers and deepest sympathies go out to the family. Love you all, Ange
