Tribute Wall

“ Dear Milella Family: We were blessed to know Mr. Milella during our 4 years as music students at Molloy College in the early 80's. Mr. Milella was a kind, caring, talented, classy gentleman & we mourn his passing as if we were family because that's how he made us feel at school. He left this world better than he found it, for he touched it with his loving humanity & taught, not just music, but compassion & living a life with purpose & joy. We will remember him always with love. We will always remember him saying; I don't give tests, I give happenings! He was a wonderful person & you are in our prayers at this difficult time.##imported-begin##Teresa & Patricia Muldowney##imported-end##
