“ Jane and Mike, Marvin or "Augie" as I called him was a wonderful boss and a dear dear friend. I worked for him 1973 to 1977 when I was in the military and again from 1980 to 1987 as a civilian. He provided great help and support to me though some difficult times in my life. He was also there to share one of the highest points in my life my marriage to Paula.
