“ I would like to send my deepest and dearest to your family. It is important for you to know that God cares for your family and provides a hope for you in the bible. Revelation 21:4 states 'And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain will be anymore. The former things have passed away'. The bible also tells us that there will be a resurrection at John 11:25,26. The resurrection will reunite relatives with their dead loved ones. May these words bring you comfort.##imported-begin##T. “ *First I would like to send my condolences to the immediate family. My children Jonathan and Meridith and I will pray for your peace. During an interview with my current employer in Myrtle Beach, nine years ago my boss quized me. For many hours he kept trying to find a reason to hire me. I kept telling him that I was raised here in Horry County and my family was The Beverlys. Only then did he perk up and ask me who. Uncle Marvin was one of the names I mentioned and he said you mean the finest welder in Horry County. I was very proud of Uncle Marvin and the name he had made for himself. Although we don't see the family as much as when we were kids, we still remember the visits. We love you all.
