“ Mary is more than a friend; she was for my family, a beloved sister in Christ. Her heart was beautiful and loving. The 30+ years we shared are forever precious in our hearts.

*We look forward to seeing her again when we join her and our Lord in Heaven. She will be at that eastern gate of paradise with our Saviour when we too are called home. What a heavenly reunion that will be.*

“ I remember Mary liked inviting friends over for dinner and playing board games. A most enjoyable time. My wife, Sue, also enjoyed having a girls day out with Mary and her Mom.

“ *I remember my sisters laugh, her playing hands games like Miss Mary Mac and trying to teach me sign language as she was a teacher. I loved that we were both short and had our own club...lol I send love and prayers to Paul, her family and friends.*
