“ Windell and I send our condolences to all of the Barton family in your loss of Mary Ann. She was a beautiful and energetic lady who tried to live each day to the fullest. We may not make it to your memorial service for her tomorrow due to mobility problems that also result in pain in wet weather, but our love and thoughts will be with you as you remember her life and her love. God bless you all and give you His comfort and peace in your loss.

“ Art and I were very sad to learn of your loss (a loss the whole Keller family shares with you). One of the last visits I had with Mary Ann was over a year ago. Mary Ann came across the street to visit my mom, Ann Keller, for the last time. During that visit my mom, and Mary Ann shared a sherbet treat in our kitchen surrounded by the cabinets Chuck had built and installed many, many years ago. It was wonderful to listen to two long-time friends catch up and express such love for each other. As Mary Ann left, my mom thanked Mary Ann for being like a sister for so many years. I was so touched. I loved Mary Ann as a favorite aunt and I am happy to say that Art and I even had a round or two of golf with her over the years. No surprise that she definitely beat me! But now, I can picture my mom and Mary Ann together again, smiling, sharing a treat, catching up, and looking beautiful as ever!
