“ When my husband Terry and I moved to our new home in Indigo Creek 8 years ago, Mary Ann and Al were among the first to greet us.They were so helpfull getting us settled in and becoming a part of the neighborhood. This summer when my husband was so ill they provided much needed support to myself and my family. Mary Ann has been nothing but a couragous foe to this horrible disease and her unwillingness to let it get her down has been amazing. I offer my sincere condolences to her husband and family and want to tell them that they will see why Indigo Creek will help get them through this sad time.Sincerely,Diana Donegan##imported-begin##Diana Donegan##imported-end##
