“ I was blessed to be in Mrs. Brigman's 1st Grade class (I think) at South Conway Elementary (Jamestown) around 1974-75. She truly was one of the sweetest folks I've ever met. It might sound corny or strange, but I remember that she gave me a dog for a pet. That type of kind gesture has really stuck with me all these years and that just seemed to be the kind of person she was. God bless.

“ *To the Brigman family,*

Grew up in Winnsboro with both your mom, Mary Jean & dad, Johnnie. We were graduates of first class of Winnsboro High. Mary Jean and I continued our education at Winthrop where we both graduated. Double dated with them while at Winthrop with a friend of Johnnie's who was a Clemson man like Johnnie. We all shared many fun moments together during our college years and stayed in touch there after for years.

My sincere condolences & sympathy to each of you children, but with heart felt love knowing your parents are reunited in Jesus arms. At this difficult time for grieving families please know they were both dearly loved by those of us who were with them in school and college and send to you our prayers for comfort, hope, and peace.

*Blessings to Each,

“ To the Brigman family.....I am so sorry to hear about the passing of your mom. Mary Jean was my first cousin on the Collins side. Her dad was my mom's brother. My mom, dad, brother and I lived in New York but we looked forward to visiting our relatives every summer for two weeks in July. I have many fond memories of your mom growing up but what stands out mostly is her gentle spirit. Please know that even though we have never met you , to my regret, you are all in my family's thoughts and prayers. All our love, Josie Talbot, husband Bill, daughter Michelle and son-in-law Stephen

“ To the Brigman Family: I am so very sorry but now she will be with you always in the best way. I knew you mother and dad and had fun listening to Johnnie's antics and Mary was just so sweet. I moved away so I lost track but Paula Paula Vaught Adams shared this sad news. I know you are all grown and are busy with you own lives. Just know many of your mom&dad friends have you in their prayers. Suzanne Moody Ircink now living in VA. Betsy, you are the only child I remember because I taught you!! What a lovely mother you had and so very sweet. Hold on to that. Stay close to each other and stay safe, happy, and healthy.

“ Mrs. Brigman was one of a kind...I knew her at Kingston/Pruitt...she would ask "What's your name" and I would answer her. She would then proceed to answer my question or give me advice...She will be missed as the "Judge"! May your memories sustain you in your time of loss. God's comfort and peace be yours.

“ To all of Mary's children, hoping all your happiest moments with your mother will fill your hearts during this time of loss. As I write this, I can hear your mother's soft voice, and as you described her, recall her patience with all who crossed her path. I worked with your mother a couple of years at Waccamaw. After I married and moved away, she was so thoughtful. several years later, to create a treat bag for my toddler who was going to be flying on a long flight to our newest assignment to an army post in HI. She was warm, kind, and generous to others, and will be remembered fondly. My prayers and thoughts are with you.
