“ *Mary was an Angel before she earned her wings. We became instant friends thirty years ago when she and Walter embraced my parents as new neighbors, and all of us as extended family. We've shared giggles over children, grandchildren, and great grandchildren. Mary was a loving and caring person who always put others before herself. She is in our hearts forever.

“ *So many memories starting with our years in Deerfield Plantation, whether it was going on a weekend golf trip, or following Mary & Walter leaving M.B. because of an impending hurricane. Our families became as one, & so it continued through the years. My heart goes out to Cathy, Walter Alan, & their families during this very difficult time. Just know that God's taking her home is a blessing, and we will miss her terribly, but I, for one, am looking forward to seeing her again in the future. Love you, dear Mary - you're one "foxy lady"!*

“ *Mary and I were friends for 40 years. We used to walk 3 miles  
together. We always discussed "The Young and the Restless." We  
played bridge once a week. I have the ingredients to make her  
some fudge that I didn't get made. I will miss her more than I can  
express.*
