“ Mom I miss you with all my heart. I love you so very much. It is hard to believe that you are not with us anymore. But I know with everything in me that you have gone home to be with the Lord. With that being said I am mum in my heart and body. As humans on this earth we grieve in ways God intended. But losing you was monumental. My mind and heart just cannot fathom that I cannot hold and tell you how much I love you.
Thank you for being my mom and loving me so much.
