“ Dear Grandma - The memories are so vivid and clear of all the days that I was able to share with you. I could never have had a more perfect Grandmother, than you. I want to thank you for all your love and kindness that you have given me through my years as a child and adult - I have and always will cherish you and admire you. I will never forget the strength you possessed in life and can only hope that I could be as strong. Grandma, please know that even though I cannot be with you today, that you are forever in my soul and my life. I love you with all my heart and every time I hear the angels sing, I will know that it is you. God rest, Grandma and may your soul always be in peace. I love you.
