“*Mary Ann was one of the dearest friends I ever had. So many memories and good times we had together. She was a very loving person to all who knew her. I will miss our phone calls together and laughter we shared. Her family was always on her mind, she loved them deeply. She would come into work and tell me all about her visit with them and I feel as if they were my brothers and sister. I feel deeply for all of you in her passing. My prayers and heart felt sorrow are with you. With much love, Kendra Paulman*
