“ We would like to offer our thoughts and prayers to your family. The Grant family of course knew your Mother/Grandmother all of their lives growing up and the entire family considered her to be a very close friend. She was very special to all of us. “ Stan, I was so sorry to read of your mom's passing. So many of our classmates have lost parents the last few years. It is so very hard to let them go. I had tried to send a note to say hello several months ago through "Classmates" but that system doesn't always work well. I just wanted you to know that you are in my thoughts and prayers for your mom. I never got to work with her but everyone at the hospitatl thought so much of her.
