*I am very sorry your loss of Mary Beth, we have worked together since 1996 at Blue Cross Blue Shield. I will always remember her coming into work and always saying hello. Her favorite color was purple and she looked so beautiful in that color. I was shocked to here of her passing. My thoughts and prayers will be with all of you.*

*My thoughts and prayers go out to the family of Beth. We worked together since 2007 at Blue Cross and Blue Shield. I will always remember coming into to work and saying good morning to her and always making sure that she made it safely in and out of the doors at work, It was indeed a pleasure to sit with her at lunch in the cafeteria just chatting about various things. I was in total disbelief to learn of her leaving us here Earth and joining the Man upstairs. May the Lord be with you every step of the way to Heaven's gate.*

*Marybeth was a blessing to know. I remember when she did not drive and her sweet daddy would drop her off and pick her up each day. So sorry for you loss John. I picked her up a time or two since we lived close and both at that time worked for BCBS. Praying for the family.*
