“ I just recently learned of Mary's death and whereabouts. I had searched for her on google many times. I'm Ellen Grace I was from Wilkes Barre, originally, and met Mary in nursing school at Kings County hospital. I was in touch with her until after the flood in WB. She was living in the Poconos the last we were in touch. It never occurred to me that she might have gone south and I probably missed her on Google. If anyone in the family would be willing to get in touch with me, I would love to hear from you. I loved Mary a great deal and thought of her often over the years. when I read her obituary I hoped that life brought her the happiness and peace she so deserved. My email: ellengrace44@yahoo.com ”

“ I was so saddened to hear of Mary's death. Our relationship was dog-related since she adopted a rescue Old English Sheepdog through our group, Tarheel OES Rescue. A kind, caring woman, she loved her dogs and always thought of them first & foremost. We've lost a gentle soul with Mary's passing. And she will be missed. ”

“ *Having been new to the neighborhood, Mary made us feel welcome and she gave us a rundown of the history of the area.*

I saw Mary walking the dogs one a.daily.basis and spoke with her often.

She was a very lovely person and will be missed by my wife and myself.
