“ I read of your loss and want to express my deepest sympathy to the family. Life can be full of unexpected things. But the worse of our problems is death, an enemy of life. Losing a loved one can be very difficult because we have a built-in desire to live and enjoy life with our family members and friends. When we lose our loved one, for whatever reasons we may believe, it is very distressing because we miss them very much. At these times, we need encouragement and hope so that we can cope with our loss. For that reason, we can be encouraged by the promises that God has given us through his word the Bible concerning the resurrection hope of seeing our dead loved ones again. I hope you can find comfort in reading these scriptures. John 11:11-44; John 5:21, 28, 29; And Revelation 21:3,4. My prayers are with you all.##imported-begin##Elijah Salim##imported-end##

“ Dear Brenda, girls and family, Mary Hembree was on of the greatest ladies I've ever known. Her smile was contagious, her eyes were pure love and her heart was as large as Heaven itself. Just thinkg about her makes me smile with endearment. I know you will miss her but also think about how happy and healthy she is now. I think of you all often. For a short while your family was a wonderful part of our lives. Those friendships can never be dismissed. Take care and remember we are praying for you.
