“ By the age and name, and the previous posting here, I have to regrettably assume this is the same Mary Jane I knew. I graduated from Bishop Walsh High School in 1984, with Mary Jane Hercher. I remember her coming to BW from Allegany HS. I never knew she was originally from NJ. When I read the Times-News, I was surprised and sad read the news. Like Ms. McCullough already wrote here, I remember her as being very nice and kind, and very easy to talk to. I'm sorry I never got to see her at the class reunions and lost contact through the years. To her family, I want to send my sympathy and assure you all that you are in my thoughts and prayers during this difficult time. God bless you.

“ My freshman year of high school, I had no friends as I moved from a private school to Allegany High School. Mary Jane became a very good friend of mine. She was such a sweet soul always there for me. I had always wondered where she had gone to over the years. My heart dropped when I read that she had passed. So very sorry for your incredible loss but know that she made a huge difference in one little girl's life so long ago. God bless. Renee
